

APBC 2026

Join us!

The 24th Asia Pacific Bioinformatics Conference

Next-Generation Bioinformatics in the Era of AI and Big Data:
INNOVATE, INTEGRATE, IMPACT

October 21-24, 2026
 NYCU Bio-ICT Building, Boai Campus, Hsinchu, Taiwan

KEYNOTE SPEAKERS

Prof. Seiya Imoto
Institute of Medical Science
University of Tokyo, Japan

Prof. Denis Shields
School of Medicine
University College Dublin, Ireland

Prof. Wen-Hsiung Li
Biodiversity Research Center
Academia Sinica, Taiwan

Accepted Papers recommended for publication on

- ✓ IEEE/ACM Transactions on Computational Biology and Bioinformatics
- ✓ Computational Biology and Chemistry
- ✓ Journal of Microbiology Immunology and Infection
- ✓ Journal of Information Science and Engineering
- ✓ Briefings in Bioinformatics

Structural
Bioinformatics & MD
Simulations

Network Biology &
Systems Biology

Single-cell &
Spatial Transcriptomics

AI in
Bioinformatics

Multi-omics
Integration

Drug Response &
Drug Design

Biomedical Informatics
& Precision Healthcare

Microbiome &
Precision Medicine

Paper Submission

**DEADLINE
EXTENDED AGAIN**

**FINAL Extension to
July 17, 2026!**

IMPORTANT DATES

Paper Submission Deadline
June 15, 2026

Early Bird Registration
July 1-Sept 15, 2026

ORGANIZED BY

- National Yang Ming Chiao Tung University
- Taiwan Bioinformatics and Systems Biology Society
- Taiwan Society of Evolution and Computational Biology
